## 1 - Power-Sharing Agreement

### 1.1 - The National Level

#### STATUS OF THE IMPLEMENTATION OF THE COMPREHENSIVE PEACE AGREEMENT (CPA)

### 1 Power-Sharing Agreement

#### 1.1 THE NATIONAL LEVEL

##### A) National Constitution

1. President Omar Hassan Ahmed Al-Bashir signed the **Interim National Constitution (INC)** into law on 9 July 2005 ([Annex 1](#)). The INC, which is based on the Comprehensive Peace Agreement (CPA) and the 1998 Sudan Constitution, is the supreme law of the land during the Interim Period. It was prepared by the National Constitutional Review Commission (NCRC), a creation of the CPA, with 31 members from the NCP, 17 from SPLM, 8 from Northern political parties and 4 from Southern political forces. The National Assembly and the SPLM National Liberation Council adopted the INC on 6 July 2005.

##### B) The National Executive

2. The three-member **Presidency** was inaugurated on 9 July 2005. Omar Hassan Ahmed Al-Bashir was sworn in as President, John Garang de Mabior as First Vice President and Ali Osman Mohamed Taha as Vice President. Lt. General Salva Kiir Mayardit was sworn in as the First Vice President on 11 August 2005 following the death of John Garang in a helicopter crash on 30 July 2005.
3. President Al-Bashir issued four decrees on 20 September 2005 establishing the **Government of National Unity**, largely in accordance with the CPA power-sharing formula. Members of the GNU were sworn in on 22 September 2005. On 27 November 2005, President Al-Bashir issued two decrees filling the ministerial seats left vacant for the opposition umbrella group, the National Democratic Alliance (NDA).
4. Additional appointments to the GNU were made in October 2006 to reflect commitments made under the **Darfur Peace Agreement (DPA)**. Minni Minnawi of the SLA/MM was appointed Senior Assistant to the President and Mustafa Mohamed Ahmed Tirab as a State Minister without portfolio. (10/06)
5. Further appointments to the GNU were made on 29 May 2007 to reflect commitments made under the **Eastern Sudan Peace Agreement (ESPA)** signed on 14 October 2006. Eastern Front Chairman Musa Mohamed Ahmed was appointed Assistant to the President, Amna Dirar as Presidential Advisor and 'Free Lions' leader Mabrouk Mubarak Salim as State Minister in the Ministry of Transport and Roads (5/07).
6. In March 2007, the **NCP-SPLM Joint Leadership Committee** held its first annual meeting, chaired by President Al-Bashir and FVP Salva Kiir. The meeting established a new high-level sub-committee, the **NCP-SPLM Joint High Political Committee**, to address contentious issues related to CPA implementation.
7. On 11 October 2007, the Sudan People's Liberation Movement (SPLM) announced the suspension of its participation in the GNU, citing the lack of progress on the issues of Abyei, border demarcation, redeployment, transparency of oil revenues and preparations for the census and elections. It recalled its ministers, state ministers and presidential advisers from the GNU, and indicated that they would resume participation in the central government only after these issues had been resolved. On 17 October, President Al-Bashir, agreeing to one of the demands of the SPLM, issued a decree reshuffling the cabinet. The reshuffle concerned two Presidential Advisors, six Cabinet Ministers and six Ministers of State in the GNU. SPLM, however, rejected the decree on the ground that the reshuffling did not reflect the recommendations it had submitted to the Presidency. On 26 December 2007, President Al-Bashir issued a series of decrees appointing new

SPLM ministers, state ministers and presidential advisors in the Government of National Unity (GNU). The new SPLM ministers were sworn in on 27 December, thus ending a two-month boycott of the GNU. There was no change in the NCP line-up in the GNU, as the NCP kept to its limited reshuffle in early December, which brought in one presidential advisor and six state ministers. (12/07)

8. On 14 February 2008, President Al-Bashir carried out a Cabinet reshuffle involving NCP Ministers in the GNU and reallocated portfolios of several Ministers of State. A list of current members of the GNU can be found in [Annex 2](#). (09/08)
9. On 8 June 2008, President Al-Bashir issued Republican Decree 146 adopting a landmark agreement between the NCP and the SPLM entitled 'Roadmap for Return of IDPs and Implementation of Abyei Protocol'. The four main points outlined were: security arrangements, return of IDPs, an interim administration and final arbitration. A follow up to the decree, specifying the modalities for the establishment of the interim administration was issued on 15 June 2008. The Roadmap establishes the geographical boundaries of the interim administration in an agreed map that was attached to the 8 June document. It also gives the Abyei administrative area a special status under the Presidency and establishes the Abyei Executive Council, Abyei Security Committee, and Abyei Area Council, and outlines how they will be financed. This interim agreement will be in effect pending the result of the final arbitration process. The text of the Roadmap can be found in [Annex 23](#). (06/08)
10. On 7 July 2008 Ali Osman Mohamed Taha, Vice-President of the Republic and Riek Machar, Vice President of the Government of Southern Sudan, signed a Convention on the arbitration on the Abyei area. The text is to be deposited with International Court of Arbitration in The Hague. (07/08)
11. On 17 November 2008, the National Assembly approved the nominations of the chairman and members of the Political Parties Council. They were sworn in on 25 November. (11/08)
12. The **National Legislature** (the Council of States and the National Assembly) was formed on 31 August 2005. Ahmed Ibrahim El Tahir (NCP) was elected Speaker for the National Assembly and Atim Garang Deng (SPLM) Deputy Speaker. Ali Yahia (NCP) was elected Speaker and Remo Olair (SPLM) Deputy Speaker of the Council of States. The **Council of States** has two members from each of the 25 States and two representing Abyei, currently appointed by the Presidency after consultation with state institutions
13. The **National Assembly** has 450 members. Membership is allocated according to the CPA's power-sharing formula, with modifications to take account of the Darfur Peace Agreement (DPA) and Eastern Sudan Peace Agreement (ESPA) (see below). The original division was as follows: NCP: 234 seats; SPLM: 126 seats; Northern political forces: 55 seats (20 for the NDA, seven for the Registered Democratic Unionist Party, three for Umma Party Reform and Renewal, three for Federal Umma Party, three for Umma Party Collective Leadership, three for Ansar Al-Sunna, three for the Muslim Brotherhood and five for Parties' Forum); Southern political forces: 27 seats (ten for Union of Sudan African Parties, five for United Democratic Salvation Front, three for United Democratic Front, five for Sudanese African National Union and four for the Southern Sudan Democratic Forum); national personalities: eight seats. Of the 55 seats allocated to the Northern political forces, 8 were allocated to the Umma Party (Mainstream) and the Popular National Congress, but both declined to participate. The National Assembly has 20 standing committees. A list of the chairs of standing specialised committees can be found in [Annex 3](#). (10/07)
14. On 3 April 2007, twelve representatives of the **Darfur Peace Agreement signatory parties** were sworn in as members of the National Assembly. Nine of the seats they assumed were already vacant; the remaining three were made available by the NCP from its own allocation. (4/07)
15. On 24 October 2007, eight members from the Eastern Front took the oath of office in the National Assembly, in accordance with the **Eastern Sudan Peace Agreement** (ESPA) which provides for

the allocation of eight seats to nominees of the Eastern Front. (11/07)

#### C) Legislative Agenda

16. The 1<sup>st</sup> session of the National Assembly since the signature of the CPA convened on 31 August 2005. It endorsed the **Joint Integrated Units (JIUs) Act** and the **Organization of Voluntary and Humanitarian Work Act (NGO Act)**. (11/06)
17. The 2<sup>nd</sup> session of the National Assembly met from 3 April – 3 July 2006. It did not pass any significant CPA-implementation related legislation.
18. The 3<sup>rd</sup> session of the National Assembly convened on 30 October 2006. It adopted a number of important CPA-implementation related pieces of legislation. These included the **National Civil Service Commission Act** (10 January 2007), text of which can be found in [Annex 5. Political Parties Act](#) (22 January 2007) and **National Civil Service Bill** (23 January 2007).
19. The **Political Parties Act** has been controversial. During the three readings of the Bill in the National Assembly, controversy centred on Article 18.b, which allows for the dissolution of political parties by a court decision. In the final version of the Bill, this article (now Article 19-2) was revised to provide that a party may be dissolved upon the decision of *the Constitutional Court* on the basis of a case raised by a two-thirds majority of the Political Parties Council, *if* it is proven before the Court that the party has violated article 40 (3) of the INC. NDA parliamentarians refused to endorse the final draft, and walked out of the Assembly session in protest. NCP parliamentarians then introduced a further amendment to toughen the requirements for party registration (Article 4). This was incorporated into the final Bill, which was adopted by consensus in the absence of the NDA. Opposition parties have expressed concerns about the implications of the final Act, which requires parties to register within 90 days, on preparations for democratic elections. The **Political Parties Act** was signed into law by the President on 6 February 2007 (The text of the Act can be found in [Annex 4](#)).
20. The 4<sup>th</sup> Session of the National Assembly was convened from 2 April 2007 to 27 June 2007, during which the **National Audit Chamber Bill**, the **Electronic Crimes Bill**, the **Auditing and Finance Procedures Bill**, and **National Police Bill** were adopted. (6/07)
21. The **Armed Forces Bill** was approved by the National Assembly on 4 December 2007. The Assembly on 15 December also approved the National Budget along with its accompanying Bills. (12/07)
22. The National Assembly in its 6<sup>th</sup> session in June 2008 passed the **National Police Bill** in its third reading following a protracted debate. It also passed the **National Council for Developing and Promoting the National Languages Bill** for 2008, as well as, the **National Council of Population Bill** for 2008 after being amended at the third reading stage. It also passed, at second reading stage, the **National Council for Child Welfare** and the **National Tourism Bills** for 2008. (06/08)
23. In its extended session, the National Assembly on 7 July 2008 passed the **National Elections Act** 2008, with a majority of 350 votes (with 14 opposed and two abstentions) after introducing 67 amendments to the bill. An important provision of the new law is that the new parliament will consist of 450 members, with 60% selected by geographical constituencies and 40% by proportional representation party lists, out of which 25% is allocated to a separate women's party list and 15% for political parties' list. The act stipulated that parties must receive a minimum of 4% of the overall votes to secure seats according to the proportional representation. This is the first time that proportional representation system will be used in Sudan. President Al-Bashir signed the bill into law on 14 July 2008. The Speaker of the National Assembly, Ahmed Ibrahim El-Tahir, declared that the parliament will be on call to meet in special session to approve the formation of the National Electoral Commission (NEC), as stipulated by the Act. The law requires that the NEC be established within one month of the adoption of the law. He also stated that during the recent session, the assembly adopted 14 laws, inter alia, laws on: Elections, Police, Armed Forces, National

Council for Languages, Public Health, and the National Council for Child Welfare. It also finalised seven international agreements. He said that National Assembly convened 30 sittings, as well as five additional sessions. He indicated further that the assembly heard five statements from various ministers: the Ministers of Defence, Interior, Finance, the Commissioner of the Bank of Sudan, and the Vice-President of the Republic. Lawmakers also held an urgent query regarding the explosion of a Sudan Airways plane in Khartoum. He added that the assembly's specialised committees held a total of 205 meetings in its last session. (07/08)

24. On 17 November 2008, the National Assembly endorsed the members of the National Elections Commission (NEC). The composition of the Commission are as follows: Abel Alier, Chairman; Abdallah Ahmed Abdallah, Deputy Chairman; and Fillister Baya, Mahassin Haj Al-Saffi, James Bol Kajmal, Abdallah Ballah Al-Hardalou, Mohamed Taha Abu Samrah, Mukhtar Al-Asam and Al-Hadi Mohamed Ahmed Hassabou as Members. On 25 November, a presidential decree was issued in this regard, and the Chairman and members of the NEC were sworn-in in the presence of President Al-Bashir and FVP Salva Kiir. (11/08)
25. On 13 April 2009, the National Assembly reconvened for the 8<sup>th</sup> session. On 20 April 2009, the National Assembly adopted the **Land Commission Bill**, a significant objective in the implementation of the CPA. The bill empowers the independent commission to arbitrate between willing contending parties on claims over lands without prejudice to the jurisdiction of the courts. The chairman of the commission will be appointed by the President with the consent of the First Vice President. On 21 April 2009, the National Assembly adopted the **National Human Rights Commission Bill** following inclusion of some amendments. (04/09)
26. On 8 June 2009, the National Assembly adopted the **Press and Printed Materials Bill 2009**. The bill shifted the powers of the journalist registry and discipline of journalists from the Press Council to the Journalists Union; replaced the provision of fine of 50,000 SDG with fines to be determined by the court; pre-conditioned the arrest of journalists with notification to the Union; and limited the powers of the Press Council, particularly in regards to the suspension of publication. The National Assembly closed its 8th session On 24 June 2009 (06/09)
27. On 28 July 2009, the NCRC sub-committee on the Referendum Bill agreed to include both procedural and substantive issues in the draft law following representations from the CPA parties. However, several key provisions regarding definition of eligible voters, determination of the areas of voting as well as chairmanship, composition and seat of Referendum Commission remain unresolved. As a result, on 31 July 2009, the CPA partners established another bipartisan sub committee comprised of senior officials to address the outstanding issues on the Referendum Bill draft. (07/09)
28. On 10 September 2009, the Council of Ministers passed the National Security Bill. The Council suggested introduction of slight amendments in the Bill in order to vest the National Security Council with powers to confront national security threats. However, the media reported that the SPLM has distanced itself from the Bill on the ground that the adopted version of the Bill is different from what was agreed upon during joint discussions between the CPA parties. The SPLM named a number of areas of differences related to the power of arrest and appointment of the Security Service Director and his deputies. (09/09)

29. On 31 December 2009, the Southern Sudan Referendum Bill 2009 received the presidential assent after being adopted in the Parliament.
30. On 13 January 2010, the National Assembly submitted the final report of the work of the Assembly (from 31 August 2005 to 30 December 2009) as well as the bills which were passed in the last session to the President of the Republic. The report indicated that during this period, the Assembly adopted a total of 94 Acts, 7 Provisional Orders, and 40 Conventions. (01/10)

### *D) The National Judiciary*

## 1 - Power-Sharing Agreement

### 1.1 - The National Level

31. On 28 November 2005, President Al-Bashir issued a decree appointing Jalal-Eddin Mohamed Osman (NCP) as Chief Justice and John Aungi Kasiba (SPLM) and Dr. Wahabi Mohamed Mukhtar (NCP) as Deputy Chief Justices. A list of current members of the Constitutional Court can be found in Annex 6. (07/08).
32. The National Assembly approved the **Constitutional Court Act** on 1 October 2005. President Al-Bashir signed the Act in November 2005 and on 24 December 2005 issued a decree appointing the **President and members of the Constitutional Court**. They were sworn in on 31 December 2005. (1/06)
33. The National Assembly adopted the **National Judicial Service Commission Act** (NJSC) in October 2005 and the President endorsed it in November 2005. On 7 December 2005, President Al-Bashir formally established the National Judicial Service Commission. The National Judicial Service Commission Act passed through the National Assembly with the required three readings, but it bypassed the NCRC in contravention of the INC. The SPLM criticized the Act, contending that this procedural error and key aspects of legislation itself contravened the INC or the Interim Constitution of Southern Sudan. The NJSC held a meeting on 31 March chaired by Chief Justice Jalal Al Din Mohammed Osman and discussed the issue of coordination between Southern Sudan Judiciary and National Judiciary Commission. (03/08)
34. In December 2008, the National Judicial Service Commission appointed a number of Magistrates as follows: First Grade Courts Magistrates: 11, including 5 women; Second Grade Courts Magistrates: 23, including 2 women; Third Grade Courts Magistrates: 19, including 4 women. It also appointed 80 Judicial Assistants, including 5 women. (12/08)
35. On 12 January 2009, the Chief Justice issued a directive to transfer all the newly-appointed judges to Darfur and Kordofan states (total of 69 including 11 women) (01/09)
36. On 9 September 2009, the Constitutional Court issued its ruling on the challenge to the National Intelligence and Security Service (NISS) over the censorship of newspapers. The court ruled that the government has the right to impose restrictions on the freedom of expression whenever deemed necessary for public interest in accordance with the Interim National Constitution (INC). This challenge was filed by two media companies in September 2008, arguing that the censorship violates the INC.
37. On 27 September 2009, in a meeting with representatives of the Journalists Union, the National Council for Press and Publication and editor-in-chiefs, the President of the Republic instructed the lifting of the pre-publication censorship imposed on newspapers by the security services. The President called upon the journalists to abide by the new Code of Ethics signed by editors-in-chief in September. (09/09)
38. On 19 October 2009, the National Judicial Service Commission (NJSC) held its last meeting for the year 2009. It approved the budget of the Judiciary and the NJSC for the year 2010, and discussed future plan and areas of cooperation between North and Southern Sudan Judiciaries. Meanwhile, the Chief Justice and Chairman of the NJSC on 27 October announced a decision to include judges of the SPLM in South Kordofan State Judiciary. (10/09)
39. On 6 January 2010, the Constitutional Court voided as unconstitutional restrictions imposed by the GoSS on the activities of the SPLM-Democratic Change Party (a political party registered in 2007 and headed by Lam Akol) in Southern Sudan. (01/10)

### *E) Commissions*

40. The CPA provides for the establishment of a large number of Commissions to oversee implementation of the agreement. There was initially considerable delay in establishing many of these Commissions; however, the process got back underway in late 2005, with the formation and staffing of the **National Petroleum Commission** (NPC), the **Ceasefire Political Commission**

(CPC), the **Fiscal and Financial Allocation and Monitoring Commission** (FFAMC), and the **National Judicial Service Commission** (NJSC). The progress of these Commissions is dealt with under the relevant sections of the Monitor. The **Assessment and Evaluation Commission** (AEC), the **Technical ad hoc Border Committee** and the **National Civil Service Commission** (NCSC) are dealt with below. With the exception of the NCSC, all the Commissions have been formed by presidential decree rather than legislation. Some National Assembly members have argued that FFAMC and the NPC in particular require a legislative basis.

- *Assessment and Evaluation Commission (AEC)*

41. The **Assessment and Evaluation Commission (AEC)** was established in October 2005 to assess and evaluate the implementation of the CPA with the Parties (establishing decree can be found in [Annex 7](#)). It has 13 members and four observers and meets in plenary session once a month. The AEC has four Working Groups chaired by international members: Power-Sharing (Italy); Wealth-Sharing (USA); Security Arrangements (UK); Three Areas (Netherlands). The AEC reports to the Presidency. On 12 February 2008, the President of the Republic issued a decree appointing Sir Derek Plumbly as new Chairman of the Commission.

42. The **Assessment and Evaluation Commission for Blue Nile and Southern Kordofan States** were established by presidential decree on 26 July 2007, is dealt with under sections 3.2 and 3.3 of the Monitor.

- *Technical ad hoc Border Committee*

43. The **Technical ad hoc Border Committee** started work in January 2007 on mapping the 1 January 1956 border between North and South Sudan. It has made a number of field trips to discuss its work with local officials and communities and to collect data. In July 2007, the **Technical ad hoc Border Committee** made fact-finding visits to Cairo and London to study documents relating to the 1-1-1956 border in Egyptian and British archives. On 4 August, Professor Abdalla AISadig Ali was appointed Chairperson of the Committee through a presidential decree. It is expected to submit its final report in the first quarter of 2008. (9/07)

44. On 17 February 2009, the Technical ad hoc Border Committee approached UNMIS for supporting a training programme in GIS for six Committee members. The training programme covers basic concepts of GIS, experiencing field data collection with Trimble GPS, image processing with ERDAS Imagine software using SPOT and Quickbird Satellite Imagery, manipulating Vector and Raster data to create maps using ArcGIS 9.3 version and Vector/Raster map production. (02/09)

45. The Technical ad hoc Border Committee is still working on the report for the Presidency, and to date they have agreed on the delineation of approximately 1/3 of the border, starting East from the border with Ethiopia. UNMIS is providing training to the members of the committee on mapping and GIS. (04/09)

46. The Ad Hoc Technical Border Committee is still to come to any decision on several contentious areas such as the Kafia Kingi and Hufat en-Nahas in Western Bahr El-Ghazal (WBeG) State. The Committee has been instructed by the Presidency to complete the delineation report by 30 September 2009. (06/09)

47. In an agreement signed on 19 August 2009, the NCP and SPLM agreed to urge the Ad Hoc Technical Border Committee, as directed by the Presidency, to continue delimiting undisputed areas and to finalize its report no later than 30 September 2009. (08/09)

48. In August 2009, UNMIS delivered a base map to the Ad Hoc Technical Border Committee, which will help with the delimitation work of the 1-1-56 borderline. (08/09)

- *National Civil Service Commission (NCSC)*

49. On 26 July 2007, the Presidency issued a decree establishing the **National Civil Service Commission** and appointing Professor Moses Machar as its chairman. The creation of the

Commission followed the passage of the National Civil Service Commission Act in January 2007. On 4 August, ten members were appointed to the Commission by a presidential decree. A list of the appointed members can be found in [\(Annex 8\)](#). The NCSC met for the first time on 22 August. (8/07)

50. On 3 September 2009, the National Civil Service Commission held a meeting with the Minister of Labor, where it was agreed to establish a joint committee to follow up on the implementation of the allocation of 20%-30% of the civil service posts to the Southerners as per the provisions of the CPA, INC and the 2007 Civil Service Commission Act. (9/07)

51. [By the end of 2009, the Presidency approved 1150 Southern Sudanese candidates for appointment in the National Civil Service. \(01/10\)](#)

#### • *National Elections Commission (NEC)*

52. On 17 November 2008, the National Assembly endorsed the members of the National Elections Commission (NEC). For details, please refer to the section on National Legislature above.
53. On 3 February 2009, the Political Parties Council passed the political parties registration regulation. In the same month, the NEC approved the establishment of various subsidiary committees: Voter Registration Committee; Boundaries Delimitation Committee; Technical Committee; Coordination and Communication Committee. (02/09)
54. The timeline for existing political parties to register and adjust their status (5 February-5 May) ended on 5 May 2009. However, according to the Political Parties Affairs Council, unregistered political parties can still register as new parties, as there is no deadline for new political parties to register. As at August, a total of 76 political parties have been registered. (08/09)
55. The first meeting of the NEC Policy Committee took place on 17 May 2009. The Policy Committee's original proposed membership comprises senior leadership from NEC, UNMIS, UNDP, Ministry of Foreign Affairs, and Ministry of International Cooperation. In addition to discussions on expanding the membership to include donor representatives, the Political Parties Affairs Council, and the GoSS Ministry of Regional Cooperation and the schedule for the group itself, the Policy Committee reviewed the status of election preparations. (05/09)
56. On 25 May 2009, the NEC established the High Committee for Elections for Southern Sudan and the 25 State High Committees; the Returning Officer for Elections in each State was also appointed. (05/09)
57. On 28 May, the Chairman of the NEC, State Minister for Internal Cooperation, and the UNDP Country Director signed a UNDP project document titled "Support to Elections and Democratic Processes." The project document lays the foundation for international support to the elections and contains an initial budget of US\$68.7 million to cover support to NEC, the Political Parties Affairs Council, civic and voter education, domestic observation, media training and monitoring and vital stakeholders such as women and youth. (05/09)
58. On 30 June 2009, NEC released a revised the electoral calendar that delays the 2010 elections by another two months, to 5-12 April. The modified schedule came as a result of delays in the release of census data, required by NEC for delimitation of electoral constituencies. According to NEC, the new timetable provides greater opportunities for training of staff and civic education, and facilitates the voter registration process which will now take place following the rainy season. Some political forces have expressed reservation about the new date. (06/09)
59. On 4 August 2009, the NEC announced the completion of the demarcation of geographical constituencies in all 25 States. Copies of the preliminary demarcation reports were handed to representatives of political parties on the same date. The Electoral Law provides for objections and challenges to demarcation to be made within a period of 30 days from initial publication of the

### 1.1 - The National Level

reports; the period for filing such objections expires on 3 September. (08/09)

60. Three political parties, including SPLM-Democratic Change, were registered by the Political Parties Affairs Council during the reporting period. The total number of registered parties now stands at 79. A total of 885 objections to the Constituency Delimitation process were received by the NEC by the extended deadline of 14 September. Of these, 400 were accepted and 485 rejected. 58 appeals were also received by the NEC, of which 3 were accepted. (10/09)

61. Two major phases of the electoral process were completed in January 2010-- the voter registration and candidate nominations. An estimated 16, 544,520 persons – both in and out of country- are reported to have registered for the elections scheduled in April 2010. (The NEC has yet to confirm officially the final figure)
62. Nomination of candidates for all levels of elections commenced on 12 January and closed on 27 January (the nominations period was extended for an additional five days from the initial closing date of 22 January.)
63. On 23 January, the NEC published a revised Elections Timeline to accommodate the extended nominations period; it also made provision for a possible run-off period (10-11 May), if required, for the positions of the President of the Republic and the President of the GoSS. (01/10)

### F) Population Census

64. The **National Population Census Council** (NPCC) was established by presidential decree on 7 January 2006 ([Annex 9](#)). It is mandated to plan for the census; set standards and criteria for the Central Bureau for Statistics; follow-up on the preparations leading up to the population census operation; and report to the Presidency. In September 2006, FVP Kiir issued a decree establishing the **Higher Council for Population Census in Southern Sudan**. ([Annex 10](#)).
65. Following repeated changes of schedule, a presidential decree was issued on 11 February 2008 setting 15-30 April 2008 as date for the 5<sup>th</sup> national population census. However, on 12 April, the GoSS announced the postponement of census in the south. In support of its decision, it cited failure to resolve the Darfur crisis; non-completion of return movements of IDPs from the north to the south; non-inclusion of questions on ethnicity and religion in the questionnaire; and delays in the demarcation of the north-south border. The GoSS eventually reversed its decision, but reserved the right to have an opinion on the census general outcome and the application of the results. The Presidency, meanwhile, changed the census dates from 15-30 April to 22 April-6 May.
66. The census enumeration commenced at 00:00 hrs on 22 April 2008 which was the census reference hour and ended on 6 May 2008. A number of national and international monitors selected by the Monitoring and Observer Committee (MOC) and appointed by UNFPA using EU funds monitored the process in the 25 states of Sudan (15 northern states and 10 southern states). The process has largely been peaceful in spite of security, material and human resource challenges which emerged in the first week of enumeration.

69. On 3 July 2009, GoSS objected to the use of the population census results either as the basis for allotting constituencies for the general elections or adjusting the CPA wealth and power sharing formula on the ground that they under count population of the region and over count the population of Darfur and nomads. The Southern Sudan Legislative Assembly also refused to accept the census results. (07/09)
70. The SPLM Political Bureau rejected the results of the Fifth Population Census. A communiqué issued on the conclusion of at its meeting held in Juba on 16-20 August 2009 reads: "...the census results are too flawed and lack minimum acceptable level of credibility. differences (surplus) between the budgeted and actual oil revenues are kept and which is currently held in the Central Bank of Sudan. Since the banking system in the North is governed by Sharia law which forbids interest payments, GoSS would like the ORSA funds to be split between the GNU and GoSS so that it may collect interests (08/08)

135. According to a report on Sudan Oil Sector for the year 2008 released by the GoSS Ministry of Finance and Economic Planning, Sudan's total oil revenue for 2008 was \$6,566.04 million, of which the GNU share was \$3,677.74 million. ### 2.4 BUDGET AND FISCAL DECENTRALIZATION

142. In the CPA, the Parties agreed on general principles related to the fiscal process including transparency, decentralization and a commitment to reduce regional inequities. The FFAMC established a Technical Secretariat and a Panel of Experts in May 2006. (05/06)

#### 2.6 NATIONAL AND SOUTHERN SUDAN AUDIT CHAMBERS

144. On 27 June 2006, GoSS President nominated four appointees to the **Southern Sudan Audit Chamber**, though it remained without legislative basis. Enabling legislation for the **Southern Sudan Audit Chamber** was submitted to the GoSS Ministry of Legal Affairs and Constitutional Development in March 2007. (3/07)
145. The National Assembly passed the **National Audit Chamber Act** and related audit legislation in June. (6/07)
146. The President of GoSS in February 2008 removed Barnabas Majok from the position of the Southern Sudan Auditor General and appointed the Secretary General of GoSS as a caretaker of the Audit Chamber until the appointment of a new Auditor General. The decision follows a vote of no confidence in the Southern Sudan Legislative Assembly against Majok last December, accusing him of financial impropriety and failure to deliver services in auditing government accounts. (02/08)

#### 2.7 JOINT NATIONAL TRANSITION TEAM (JNTT)

147. The **Joint National Transition Team (JNTT)** was established in Nairobi on 9 March 2005. Originally foreseen as having an important role in resource mobilization and implementation of the findings of the Joint Assessment Mission (JAM), the NCP and SPLM agreed in June 2005 that the JNTT should cover the CPA's power-sharing as well as wealth-sharing provisions. Following the formation of the GNU and GoSS, and the appointment of several **JNTT** members to new positions, there was some doubt as to the composition and role of the body. Though the JNTT chaired initial meetings of the MDTF Interim Oversight Committees, further to the formation of the GNU and GoSS, the role was later taken over by the respective Ministries of Finance. The JNTT played an important role in preparations for and during the Sudan Consortium meeting on 9 and 10 March 2006 in Paris. (9/06)

#### 2.8 BANKING AND CURRENCY

##### *A) Banking*

148. In June 2005, the JNTT reported that the **Bank of Sudan** had been restructured to accommodate a **dual (Islamic and conventional) banking system**, as per the provisions of the wealth-sharing agreement. On 18 July 2005, the GoSS and the Central Bank of Sudan signed a Memorandum of Understanding, and the Bank of Sudan opened its Juba branch on 19 July 2005. (7/06)
149. The **Central Bank of Sudan Act** was adopted by the National Assembly in October 2005 and signed into law in November 2005.

##### *B) Currency*

150. Sudan's new national currency, **the Sudanese Pound**, was launched in Juba on 9 January 2007, as part of the ceremonies marking Peace Day and in fulfilment of the CPA requirement. The Bank of Southern Sudan started in April 2007 to collect foreign currency belonging to Uganda, Ethiopia and Kenya to be returned to those countries. On 1 July 2007, the Sudanese Pound officially replaced the Dinar as legal tender. The transition went smoothly. (7/07)

#### 2.9 RECONSTRUCTION AND DEVELOPMENT FUNDS (INCLUDING MDTFS)

### 3 - The Three Areas: Abyei, Southern Kordofan and Blue Nile States

#### 3.1 - Abyei

##### *A) Multi-Donor Trust Funds (MDTFs)*

151. The **MDTFs** (National and South) became operational in June 2005. The National and Southern Sudan MDTFs held their first Joint Oversight Committee in Khartoum on 22 July. Overall disbursement from the MDTFs has been slower than expected. These are attributed partly to the complexity of the MDTF mechanism and World Bank procedures.
152. The second meeting of the **Sudan Consortium** was held on 19-21 March 2007 in Khartoum and Juba. Donors made it clear that they would not be able to continue to finance recovery and development efforts in the North unless there was progress in Darfur. They recognized that GoSS had made significant progress in 2006, but urged GoSS to focus on building of public institutions for good governance, establishing basic infrastructure links, enabling productive activities and delivering basic services. Donors also called for a review of aid mechanisms, including the establishment of new priorities and costing for the second phase of the original Joint Assessment Mission. (3/07)
153. By the end of August 2007, the MDTFs had received \$384.8m (\$132.5m for the National MDTF and \$252.4m for the Southern Sudan MDTF), of the \$561.3m pledged at and since Oslo. (8/07)
154. The third meeting of the Sudan Consortium was held in Oslo from 5 to 7 May 2008. Jointly chaired by the GNU and GoSS, and organized by the UN and the World Bank, the Consortium reviewed the progress in the implementation of the social and economic aspects of the CPA and Joint Assessment Mission commitments for the period 2005-2007, and agreed on the recovery and development priorities for the second half of the CPA period (2008-2011). At the meeting, donors pledged about US\$4.8 billion in total support to humanitarian, recovery and development efforts in Sudan for the period 2008-2011. Part of the funds for development efforts will be channelled through two complimentary mechanisms-the Multi Donor Trust Funds and the newly created Sudan Recovery Fund. (05/08)

### **3. The Three Areas: Abyei, Southern Kordofan and Blue Nile States**

#### **3.1 ABYEI**

##### *A. Determination of Geographic Boundaries*

155. The **Abyei Boundaries Commission** (ABC) was mandated to define and demarcate the area of the nine Ngok Dinka Chiefdoms transferred to Kordofan in 1905, referred to as 'the Abyei area'. The ABC submitted its final report to the Presidency on 14 July 2005. However the Presidency failed to agree on adoption of the report.
156. In May 2006, the NCP/SPLM Joint Leadership meeting referred the deadlock over the Abyei Boundaries Commission (ABC) report to its political sub-committee for consideration. Four options were to be considered: a) reach a political agreement; b) call on the ABC experts to defend their recommendations; c) refer the matter to the Constitutional Court or d) seek arbitration by a third party. The parties did not specify a timeframe. On 2 September 2006, the political sub-committee reported deadlock to the NCP-SPLM Joint High Political Committee, but was tasked to continue its discussions. (10/06)
157. At the invitation of GoSS and following strong criticism by the NCP, the experts of the Abyei Borders Commission made a one-day visit to the South on 15 September and met at the South Sudan Legislative Assembly's headquarters in Juba with MPs, GoSS officials and civil society representatives to defend their findings. They stressed that they based their decision on scientific facts and that they had not overstepped their mandate. (9/07)
158. On 22 July 2009, the Abyei Arbitral Tribunal at the Permanent Court of Arbitration rendered its decision in the Abyei dispute, finding that the Abyei Boundaries Commission (ABC) had exceeded its mandate in some locations, but it also upheld ABC recommendations in others. The Tribunal

determined that the Abyei Area's northern boundary lies along latitude 10°10' North, its western boundary along longitude 27°50' East, and its eastern boundary along longitude 29°00' East. The SPLM, NCP, and senior Misseriya and Ngok-Dinka tribal leaders all publicly reaffirmed their commitment to accept the PCA decision as final and binding. The NCP and SPLM announced plans to complete demarcation of the boundary on the ground by September 2009. A map of the Abyei Area Tribunal Boundary can be found in [Annex 28](#). (07/09)

#### *B) Administrative Structures*

159. On 31 December 2007, GoSS President Salva Kiir issued a decree appointing a key SPLM Abyei leader, Edward Lino, as Chairman of SPLM in Abyei Area. According to the decree, Lino will be answerable to the SPLM Chairman and a member of the Interim Political Bureau. Presidential Advisor Mustafa Osman Ismail said in a press statement on 4 January that the appointment of Lino does not violate the Abyei Protocol and that NCP will wait and judge Lino by his actions. (12/07). In March 2008, the NCP, however, issued a statement, rejecting the appointment of Lino 'in the strongest possible terms,' and describing it as an act that 'transgresses the authority of the Presidency which owns alone the decision to appoint the administration of Abyei' under the CPA. It also called for removal of the administration. (03/08)
160. On 8 June 2008, President Al-Bashir issued Republican Decree 146 adopting a landmark agreement between the NCP and the SPLM entitled '**Roadmap for Return of IDPs and Implementation of Abyei Protocol**'. The four main points outlined were: security arrangements, return of IDPs, an interim administration and final arbitration. (06/08)
161. *Terms of the Abyei Roadmap*: The parties agreed that a newly-formed Joint Integrated Unit (JIU— comprised of elements other than those involved in the Abyei clashes) would deploy within 10 days of the signing of the accord (i.e. 18 June), and that a police force would be deployed within two weeks of the signing. Following the deployment of JIUs and police, SAF and SPLA forces would redeploy out of the administrative area (delineated in a map attached to the Roadmap agreement). Both parties committed to an investigation into the violence to be conducted by the CJMC. The road map stipulates that the Presidency within two weeks would also set up an interim administration led by SPLM, with an NCP deputy; that IDPs could return to Abyei after the security arrangements were complete; and that GoNU would work with international organizations and the area administration to provide for their needs. The parties furthermore agreed that oil revenues from the area under arbitration shall be shared according to the Abyei Protocol and that both parties shall contribute an agreed percentage of those shares to a fund for development of the areas along the North-South Border. Finally, both parties agreed to resort to arbitration to resolve the dispute over the findings of the Abyei Boundaries Commission and to abide by and implement the decision of the arbitration tribunal. (06/08)
162. **Implementation of the Abyei Roadmap**: On 8 August 2008, the Presidency appointed Arop Mayak Mony Tock (SPLM) and Rahama Abdelrahman al-Nour (NCP) as Chief Administrator and Deputy Administrator, respectively, of the interim Abyei Area Administration. They were sworn in on 31 August. (08/08)
163. On 6 October 2008, two Presidential decrees were issued appointing remaining members of the Abyei Executive and Area Councils according to the Abyei Roadmap Agreement. Five heads of administration have been named; however, assignments as heads of specific departments are yet to be confirmed. (10/08).
164. In accordance with the provisions of the Abyei Roadmap, the redeployment of SAF and SPLA from the Roadmap Area was completed on 8 March 2009. The Sector VI AJMC accepted the redeployment completed on 13 March 2009; the CJMC at its 92nd meeting held on 24 March expressed its appreciation to Sector VI for the effort of the implementation of the Roadmap. (03/09)
165. JIU have deployed to Balom and Bajadiid in order to provide security along the Misseriya migration route. The Joint Integrated Police Unit (JIPU) comprising 334 (179 from the South and 155 from

the North) has been deployed and is policing Abyei town, Agok and Abathok. (04/09)

166. Further to the Abyei Protocol and Abyei Roadmap Agreement, implementation of the Abyei Area Administration took effect on 11 November 2008 with the swearing in of five Executive Council Members. The Secretaries are to head five departments which are Administration, Governance and Human Resources; Finance and Economic Planning; Agriculture, Animal and Natural Resources; Social Services and Cultural Affairs; and Public Utilities and Infrastructure. They would report directly to the Chief Administrator. Policing will be managed separately by Office of the Chief Administrator under a 'Security Commission.'(11/08)
167. In May 2009, the Presidency provided funds of SDG five million for the Abyei Area Administration to facilitate payment of salaries and overhead costs. In addition, some funds were approved for the restructuring of the Abyei Area Administration of over 1200 posts within the administrative structure. (05/09)
168. On 27 May 2009, UNPOL, RRR and UNDP representatives officially handed over the six purposely built Police Posts / Tukuls (at strategic points along the Misseriya migratory corridors) to the JIPU Commander. Despite UNMIS' best efforts, deployment by the JIPU officers to these locations and their subsequent use and upkeep of these facilities is being resisted until such time as transportation and communication equipment is delivered to them. (05/09)
169. A technical team from the Ministry of Finance and National Economy visited the Abyei Area in the third week of June 2009. In separate meetings with UNMIS, Abyei Area Administration officials underscored the need for funds for basic social amenities, such as water, clinics and schools in settled and nomadic communities. They also stressed the need for funds to create conducive environment for self-sustaining economic activities to facilitate the voluntary return of the IDPs to their places of origin. (06/09)
170. The 4th session of the Abyei Area Legislative Council (AALC) opened in Abyei on 20 October 2009. At the opening session, Abyei Area Chief Administrator Arop Moyak Monytoc expressed appreciation on the ongoing collaboration between the Executive and the Legislature and enumerated challenges faced by the Abyei Administration, including on the restructuring of the traditional administration, the problems faced by the Abyei Border Demarcation Committee, the absence of courts and the Judiciary and the need to ensure peace and security during the upcoming migration season. (10/09)

171. [In a presidential decree effective 30 December 2009, Deng Arop Koul replaced Arop Moyak Monytoc as Abyei Area Chief Administrator. \(01/10\)](#)

#### *C) Security Arrangements*

172. **Movement restrictions:** In March 2006, SAF notified UNMIS that a number of towns in the north of UNMIS Sector VI - including Al Fula, Muglad and Meiram – were to be excluded from monitoring and verification, restricting the area of operation of UNMOs to about 30% of the Sector. In September 2006, SPLA representatives informed the CJMC and the CPC that it would also be imposing restrictions on the movement of UNMIS monitors south of Abyei. In February 2007, further restrictions were imposed on UNMIS reducing the movement of UNMOs to the Abyei area - no more than 15km<sup>2</sup>.
173. Since the implementation of the Abyei Roadmap, UNMOs and TCCs have enjoyed freedom of movement within the Abyei Administrative Area.(08/08)
174. In December 2008, a high-ranking Joint Monitoring Team and the Chief Administrator for Abyei, the Sector Commander, the UNMO Coordinator, AJMC members and UNMOs monitored the withdrawal of SPLA and SSPS from Agok. The MP Platoon from 13 (SPLA) Brigade consisted of 2 officers and 37 soldiers with 37 x AK-47 rifles. The Police Service detachment included 12 police officers and 29 men; the Prison Service detachment consisted of 4 officers and 58 men; the Fire Service

detachment included 5 officers and 27 men; while the Wildlife Services detachment consisted of 7 officers and 37 men. The JMT, including representatives from the SAF, SPLA and UNMIS verified the above troop numbers and weapons. Ten SSPS policemen will remain in Agok until the JIPU arrive to take over policing of the town. The withdrawal of forces from Diffra is expected to be announced soon. (12/08)

175. On 21 December 2009, JIPU has deployed in AGOK consequent to the redeployment of SSPS from the area. (01/09)
176. On 18 January 2009, a special patrol consisting of the Sector Commander, JIU Commander, UNMO Coordinator, JIU cell and the AJMC National Monitors from SAF / SPLA monitored the withdrawal of SAF soldiers from the Diffra oil field area. It has reported that 21 soldiers redeployed to HQ 31 BDE and ten soldiers remained behind to guard storage containers that could not be lifted on that day. Heavy lifting equipment will be required to move the large SAF accommodation container. It is anticipated this will occur in near future. (01/09)
177. Nine months after the signing of the Abyei Roadmap, SAF redeployed its last ten soldiers with two storage containers from Diffra on 8 March, and SPLA a Logistic Base from Agok on 2 March 2009. (03/09)

#### *D) Reconciliation Process*

178. Several confidence-building initiatives have been organized by UNMIS between the Dinka Ngok and the Misseriya around the issue of migration, including workshops and a peace conference. For example, in July 2007, the UN sponsored an agreement between the Misseriya and Dinka Ngok to coordinate the annual migration movement of Misseriya nomads in Abyei through a joint Leaders' Committee. (7/07)
179. In November 2007, with the onset of the migration season, Sector VI facilitated an initial meeting between Dinka Ngok and Misseriya leaders on this year's migration. Reconciliation on nomad migration routes were agreed upon by both sides and have been adopted into resolutions to be implemented. For instance, the committees to handle tribal disputes between the nomadic and farming community have been put in place to prevent escalation of potential tensions/conflict. A follow-up meeting will bring in representatives from communities south of the River Kiir/Bahr el Arab through whose territories the nomads migrate. GoSS President Kiir also instructed Southern officials to allow Arab tribes to move freely with their cattle during the migration season in the south. (11/07)
180. UNMIS Civil Affairs in Bor, Jonglei State and the Regional Office continued to facilitate and support the works of the Murle-Lou Nuer Joint Cease-Fire Committee in preparations for the Murle-Lou Nuer Peace and Reconciliation Conference scheduled for 11 September 2009 in Bor. (08/09)
181. In November 2009, UNMIS Civil Affairs in Abyei, in collaboration with UNDP, organized a conflict resolution workshop for the Payam and Boma Administrators in Abyei to help reactivate the local-level Conflict Mitigation Committees at the Payam and Boma levels. More than 20 Administrators and Boma Chiefs participated in the workshop. The Committees are expected to help facilitate a peaceful migration season by meeting with nomads and their leadership in their respective areas. The participants were trained on basic conflict resolution skills. (11/09)

#### 3.2 SOUTHERN KORDOFAN

##### *A) Geographic Boundaries*

182. On 16 August 2005, President Al-Bashir issued a decree declaring the **Boundaries of Southern Kordofan State** to be the previous boundaries of Southern Kordofan Province as defined in the 1974 Act of the division of provinces. Some parts of Western Kordofan were thus merged into Southern Kordofan. Some parts of the boundaries of Southern Kordofan remain unclear pending the resolution of the boundaries of Abyei and the final demarcation of the 1956 North-South

183. Redeployment of SAF and SPLA neared completion at the end of July 2008. A formal handover in the area of security from SPLA to the new JIU took place in Manyang on 28 July. By the end of the month, the JIU had deployed to Abyei town and started its patrols. JIU stations are to be established in Manyang, Balom/Diffra, Todach and Agok. UXOs left behind by SAF and SPLA are currently being disposed of.
184. The **Legislative Council of Southern Kordofan** was formed on 12 December 2005 and convened on 22 December 2005 with 54 members (30 NCP and 24 SPLM), seven of whom were women. Ibrahim Balandia (NCP) was appointed Chairman.
185. The formation of the Southern Kordofan government was plagued by delays in 2006, mainly due to failure to adopt the state constitution. The resulting partial paralysis of the executive prevented the appointment of ministers and the proper functioning of the legislature. A caretaker government was eventually set up on 7 March 2006.
186. The work of the legislature remained blocked over a disagreement on whether its chairmanship should be rotated between the parties on a regular basis. On 11 November, the Presidency took the decision to leave the chairmanship of the Legislative Council with the NCP, the deputy position with the SPLM, and create a new position of 'Leader' of the Council, to be filled by the SPLM. On 21 November 2006, the Legislative Council accepted the final draft of the **state constitution**. On 19 December 2006, the constitution was formally adopted in Kadugli in the presence of Vice President Taha. The Council met in full session for the first time on 13 March 2007 and is now a functioning body.
187. The second session of the Southern Kordofan Legislative Council since the ratification of the state constitution took place in Al Fula, the state's second town, in April 2007. This fulfilled the CPA requirement of alternating legislative sessions between Kadugli and Al Fula. The Legislative Council created ten permanent committees, the members of which were announced at the session. (4/07)
188. On 1 July 2007, President Al-Bashir sworn in Omer Suleiman Adam (NCP) as the new **Governor of Southern Kordofan State**, replacing Ismail Khamis Jallab (SPLM). The new Deputy Governor, Daniel Kodi (SPLM) was appointed on 17 July 2007, replacing Eissa Bashari (NCP). The rotation of Governors should have taken place in April 2007, but was postponed by mutual consent.
189. At the end of December 2007 and beginning of January 2008, the Governor appointed the state cabinet (five ministers from SPLM, including Deputy Governor, and five from NCP as well as government advisors and locality commissioners. ([Annex 17](#)).
190. On 26 July 2007, an Assessment and Evaluation Commission for Southern Kordofan State was created by a presidential decree, just after the end of the second year of the Interim period deadline stipulated by the CPA (07/07). On 12 February 2008, President Al Bashir appointed El Dirdeiri Mohamed Ahmed and Neron Philips as co-chairs of the Commission. (02/08)
191. The Legislative Council of Southern Kordofan established seven new localities in the State, namely, Hieban, Alburam, Um Durain, East Rural, Abbasia, AlGoz and Babanosa, which were endorsed by the Governor on 13 August 2009. (08/09)
192. In November 2009, the Southern Kordofan State Governor issued a special decree forming a Special Committee to facilitate the integration of 1708 SPLM civil servants into the political and administrative structure of the State, according to a senior State civil service officer. The Committee, chaired by the State Secretary-General, is supported by two other technical committees tasked to classify and define the pay scale for each individual staff based on their qualifications and work experiences. Accordingly, the allocation of staff to the State Ministries and local government units will be based with the current administrative structure. The Committee was given three weeks to present its recommendation(s). (11/09)

### 3 - The Three Areas: Abyei, Southern Kordofan and Blue Nile States

#### 3.1 - Blue Nile State (BNS)

##### *B) Security Arrangements*

193. The security situation is relatively calm. Disputes over land and water resources between nomads and farmers throughout the state continue to be the main source of conflict between nomads and farmers, sometimes resulting in death and injury, destruction of property, and displacement of people. Apart from security issues associated with migration, incidents continue between settled Arab and Nuba tribes, albeit at a lower level than in previous years. While these are mostly resource-based, the fundamental problem can almost invariably be traced to unresolved problems of land ownership which are often politicized. (03/09)
194. Pre-registration of PDF, SAF and SAF personnel earmarked for Disarmament and Demobilization was successfully completed in April 2007. (4/07)
195. During July 2007, SPLA units in the Sector IV AOR of Southern Kordofan (Sector IV) began to withdraw to the White Lake/Jaw assembly areas to await redeployment south of the 1-1-56 line. Some SPLA units have already moved south of the line, but most remain at the assembly area. The process was slow, in part due to logistical problems associated with heavy rain. In April 2009, after long preparations Sector IV conducted a successful Verification at White Lake/Jaw, which has to be continued after agreement at AJMC level.
196. On 22 December 2007, armed clashes were reported between the SPLA and the Misseriya (Awlad Kamil) at Al Girinti (Um Sha'ara), near Al Meiram in the western part of the Southern Kordofan State. The fighting renewed on 23 December in the area of Al Jurf, 90 kilometres south of Al Meiram. Misseriya armed elements attacked an SPLA camp in Al Jurf (river bank), in retaliation for the killing of their kin a day earlier. The Misseriya alleged that the attack occurred when the Misseriya refused to pay heavy levies on cattle imposed by the SPLA as crossing fees to the South. Some SPLA sources informed that the fighting broke out when armed Misseriya nomads attempted to force their way behind River Kiir/Bahr Al Arab, which the SPLA considers the 1.1.1956 borderline between the North and the South. An UNMIS facilitated visit of the Governors of SKS and NBeG on 30th December resulted in a truce. (12/07)
197. The last three traditional Baggara migration have been relatively incident free. In an effort to reduce the risk of violent confrontations, dialogue at several levels between UNMIS, representatives of NCP and SPLM/GoSS, and Dinka, Nuer and Baggara leaders was initiated and is continuing. The most contentious issue is whether the nomads should be allowed to carry arms south of 1-1-56 line (03/09)

##### *C) Returns*

198. Estimates of number of returnees to the state since the beginning of 2006 (UN assisted, state sponsored and spontaneous) vary, but according to IOM are in the vicinity of 307,000 with the overwhelming majority (around 300,000) being spontaneous. As organized returns have been discontinued, the UN effort is concentrated on assisting spontaneous returns; this is mostly manifested in food and non-food item distribution to the returnees and providing assistance for their reintegration in the chosen location of settlement. (03/09)
199. A workshop entitled 'Creating Opportunities for Youth Employment in Sudan' organized jointly by GNU and 13 UN Agencies was held in Kadugli, Southern Kordofan State on 13 October 2009. The workshop aimed to create job opportunities for youths aged 15-24 years, in particular the returnees and demobilized soldiers. (10/09)

#### 3.1 BLUE NILE STATE (BNS)

##### *A. State Executive, Legislature and Administration*

200. The Blue Nile State Government was formed on 5 December 2005, comprising eight ministers including five locality commissioners. In November 2007, the number of localities increased to six by the establishment of Al-Tadamon Locality. The state legislative body was also instituted. Seats

were allocated according to the formula stipulated in the CPA (NCP 55%/ SPLM 45%). The state cabinet was sworn in on 7 December 2005. Certain groups, mainly from the Ingesna and Arab tribes in the western part of Blue Nile State, protested the Government's lack of inclusiveness.

201. On 1 July 2007, President Al-Bashir issued a decree appointing Malik Aggar (SPLM) as Governor of Blue Nile State, replacing Abdulrahman Mohamed Abumedian (NCP). The rotation should have taken place in February 2007: Aggar's predecessor had been appointed in August 2005 and the CPA stipulates that control of the governorships of Blue Nile State should have switched between the NCP and the SPLM after the initial appointee had served 18 months. Ahmed Kremano (NCP) was appointed Deputy Governor in place of Zayed Issa Zayed (SPLM). Both Aggar and Kremano were sworn in at a ceremony on 3 July. (7/07)
202. On 26 July, an Assessment and Evaluation Commission for Blue Nile States was created by presidential decree (7/07). On 12 February 2008, President Al Bashir appointed Abdel Rahim Mohamed Ali and Eisa Zayed as co-chairs of the Commission (02/08).
203. On 21 April 2008, the head of the Blue Nile Assessment and Evaluation Commission, Abdel Rahim Osman, informed local media that the Commission has completed a tour round the State to assess NCP-SPLM efforts to implement the CPA in Blue Nile State. He confirmed consensus among the two parties on the importance to implement the agreement and said that emerging political or executive differences did not impact the implementation process. (04/08)
204. On 24 September 2009, a reshuffle of NCP ministers in the government of BNS took place. Three ministers lost their portfolio while three were given cabinet post. The newly-appointed ministers are Omda Obaid Mohamed Suliaman Abushotal (Culture, Youth & Sports); Fidail Abdelrahman Ogail (Local Government); and Al Agib Abbas Zarroug (Education). In addition, three advisors were also appointed. (09/09)
205. A delegation of the Three Areas Working Group of the Assessment and Evaluation Commission (AEC) visited Ed-Damazin and Kurmuk in Blue Nile State on 14-15 October 2009 to assess the status of CPA implementation in the State. The delegation composed of international community representatives (US, UK, Norway, Netherlands, Kenya, IGAD, EU, and AU) and the two CPA partners. (10/09)

### *B, Security Arrangements*

206. Joint Integrated Units have been established in Sector V (Damazin). However both parties continue to be slow in filling their respective quota of troops and in deployment to all eight agreed locations, complaining of logistical problems. As of September 2009, the 8 JIUs locations are now occupied by SAF and SPLA. But still to be filled with the agreed quota in all locations: Um-darfa, Menza, Wadal Mahe. Dindiro, Ulu, Gissan, Kurmuk and Taliya.
207. On 10 August 2009, an official ceremony marking the end of demobilization operations in Blue Nile State was held in Ed-Damazin. A total of 5443 ex-combatants drawn from SAF, SPLA and PDF were demobilized. (09/09)

## **4. Security Arrangements**

### **4.1 CEASEFIRE POLITICAL COMMISSION (CPC)**

208. Fighting broke out between SPLA and SAF JIUs elements in Malakal on 24-26 February, following the return of Major General Gabriel Tang to the town on 23 February whose presence in the area increased tension due to his involvement in the earlier Malakal incident of November 2006. Around 57 people including civilians were reported killed in the clashes. The CJMC held two emergency sessions on 23 and 26 February in Khartoum and Malakal respectively and agreed on a number of decisions to de-escalate the situation. The implementation of these decisions together with those of the GNU-GoSS High level committee led by GoSS Vice President Machar which was sent to Malakal

### 4.2 - Ceasefire Joint Military Committee (CJMC)

succeeded in stabilization of the security situation. By the end of the month the security situation was stable but tense. (02/09)

209. The **Ceasefire Political Commission (CPC)** is mandated to supervise, monitor and oversee the implementation of the permanent ceasefire and security arrangements implementation modalities. It reports directly to the Presidency. The CPC is expected to settle deadlocks referred to it by the Ceasefire Joint Military Committee (CJMC) and provide disciplinary measures for violations. It can propose amendments to the ceasefire arrangements and refer any deadlocks over implementation to the Presidency. The chairmanship of the CPC is to be rotated between the parties. In addition to the Parties themselves, membership of the CPC includes the UN SRSG or his deputy, IGAD and the IGAD Partner's Forum.
210. The CPC was established on 27 August 2005 by presidential decree and its membership announced on 1 November 2005. It convened its first meeting on 23 February 2006. The CPC meets routinely on the last Thursday of the month, but the rules of procedure allow both the Parties and the UN to call an ad hoc meeting of the CPC. The CPC continues to meet regularly. However, its performance as a body for resolution of disputes over ceasefire issues has been uneven. Issues referred up from the CJMC have frequently become deadlocked at the CPC level.

#### *A. Recent CPC Meetings*

211. The 28th meeting of the CPC was held on 27 January 2010. The CPC agreed to contact the National Elections Commission (NEC), the Border Demarcation Committee and the DDR Commissions to determine mechanisms for enhancing coordination between the ceasefire mechanisms and these bodies on security issues in view of the possible security situation in the period ahead. (01/10)

### 4.2 CEASEFIRE JOINT MILITARY COMMITTEE (CJMC)

212. The CPA instructed SAF and SPLA to establish a **Ceasefire Joint Military Committee (CJMC)** covering the territorial jurisdiction of the Ceasefire Agreement and answerable to the Ceasefire Political Commission (CPC). The CJMC is composed of senior military representatives of SAF and SPLA and is chaired by the UNMIS Force Commander.
213. The first CJMC meeting was held in Juba on 8 May 2005. The Committee agreed to convene fortnightly meetings and also agreed the Terms of Reference of both the CJMC and the Area Joint Military Committees (AJMCs). The CJMC has continued to convene regularly and has supported open and frank discussion between the parties and the resolution of concerns around military violations of the CPA.

#### *A. Recent CJMC Meetings*

214. The 110<sup>th</sup> and 111<sup>th</sup> CJMC meetings were held on 12-13 and 25-26 January 2010, respectively, in Khartoum.
215. The CJMC, decided to refer the question of freedom of movement and patrolling in the contested areas of Kharasana and Keilak to the CPC, and reiterated the need for all parties to safeguard the participation of national monitors in all patrolling activities. There was a slight increase on SPLA redeployment figures which were accepted by the parties-at 34.85%, while the figure for SAF stood unchanged at 100%. The CJMC directed Sector II and III to finalize outstanding M&V of JIUs not later than 4 February 2010. While the Sector I, IV, V and VI had already completed the M&V of JIU within their respective AOR, the CJMC decided to await the results of the M&V of the JIU Independent Brigade in Khartoum to be undertaken by the JIU Commander of the Brigade. The CJMC acknowledged the agreement by both the parties that M&V of SPLA in Bebnis is to be conducted by Sector III only.
216. The CJMC considered the presence of SPLA troops at Ngolongolo (07°40'30"N; 27°55'30"E) a violation to the CPA. The CJMC tasked Sector II AJMC to take up this issue with the Governor to

remove SPLA from the area. They might be replaced by the police or JIUs if there are any security issues. (01/10)

#### *B. Freedom of Movement of UNMOS*

217. According to the Status of Forces Agreement (SOFA), UNMIS Joint Military Teams enjoy guaranteed freedom of movement throughout the Ceasefire Zone. However both Parties have imposed restrictions on UNMO movement in Abyei (Sector VI). In October and December 2006, movement restrictions in Abyei were lifted temporarily but were re-imposed on 28 February 2007.
218. Since the implementation of the Abyei Roadmap, the UN enjoys freedom of movement within the Abyei Administrative Area. Sector 6 has established two temporary bases in Agok and Diffra.(08/08)
219. The restriction of freedom of movement by SPLA to UNMIS from accessing Akur area South of Abyei took centre stage for during the month of June. SPLA claimed that the area belongs to Sector II, whereas according to the Abyei Roadmap Area, Akur is within the Roadmap Area. CJMC is trying to resolve the issue. (06/09)

### 4.3 AREA JOINT MILITARY COMMITTEE

220. The **Area Joint Military Committees** (AJMC), which coordinate all the ceasefire related monitoring and verification activities in the Sectors, were to be formed by 24 June 2005. However, due to the non-availability of the members nominated by the parties and the Sector HQs (in some cases), their formation was delayed. The first AJMC was held in the Nuba Mountains Area on 20 September 2005.

### 4.4 JOINT MILITARY TEAMS (JMTS)

221. **Joint Military Teams** (JMTs) are the lowest operating units of the Ceasefire Military Mechanism, comprising UNMOs (international monitors) and an equal number of officers (**National Monitors**) from SAF and the SPLA. The formation of the JMTs has been delayed due to lack of clarity on the logistical support for the National Monitors.
222. According to the Status of Forces Agreement (SOFA), UNMIS Joint Military Teams (JMT) enjoy guaranteed freedom of movement throughout the Ceasefire Zone. However both Parties have imposed restrictions on UNMO movement in Sector VI (Abyei). In October and December 2006, movement restrictions in Abyei were lifted temporarily but were re-imposed on 28 February 2007. The restrictions were again temporarily lifted in December 2007 to allow for monitoring and verification of the southern deployment of SPLA-aligned Debab and Abu Matariq forces. This temporary window closed again on 9 January 2008 and has imposed significant restriction on the JMT patrols of Sector VI. This issue has been raised at various CJMC and has been regularly referred to CPC however without resolution. (04/08)

### 4.5 REDEPLOYMENT OF FORCES

223. The line of **redeployment** of SAF and SPLA is the North/South border as at 1 January 1956 (the 1.1.1956 Line). The CPA requires SAF to redeploy out of Southern Sudan in accordance with an agreed schedule, completing 72% redeployment by January 2007 and 100% by 9 July 2007. It requires the SPLA to complete its redeployment from Eastern Sudan by 9 January 2006 and from Southern Kordofan and Blue Nile six months after full formation of Joint Integrated Units. Both parties have frequently reiterated their commitment to respecting these timelines.
224. The **SPLA redeployment from Eastern Sudan** proceeded relatively smoothly in 2006 with logistic support from SAF. UNMIS observers verified the redeployment of 5,672 SPLA troops from total start date strength of 8,736. At the 30<sup>th</sup> CJMC meeting on 4 July 2006, both Parties agreed that the SPLA redeployment from the East was complete. (6/06)

## 4 - Security Arrangements

### 4.6 - the Joint Defence Board (JDB)

225. **SPLA redeployment from Abyei, Southern Kordofan, and Blue Nile** has been delayed because of delay in the formation of JIUs.

#### 4.6 HE JOINT DEFENCE BOARD (JDB)

226. According to the CPA, the **Joint Defence Board** is responsible for co-ordination between the SAF and SPLA and for the command of the JIUs. The JDB is tasked with agreeing how to address any external and internal threats, and for organizing confidence-building measures between the Parties' armed forces. The Board is to be composed of the Chiefs of Staff of the two Armed Forces, their deputies and four senior officers, and is to operate by consensus. The Commanders of the JIUs are *ex officio* members of the JDB. The JDB is to be supported by a Technical Secretariat of eight senior officers.
227. The JDB was formed by presidential decree on 30 December 2005 and held its first meeting on 2-3 January 2006. It is jointly chaired by First Lieutenant-General Abbas Arabi Abdallah (SAF) and First Lieutenant General Oyai Deng Ajak (SPLA). The JDB has continued to meet regularly, approximately every other month.
228. The Parties agreed in July to task the Joint Defence Board with finding a solution to the dispute between SAF and the SPLA over the continued presence of approximately 3600 SAF troops in oil producing areas south of the 1-1-1956 Line after the 9 July redeployment deadline. SAF had argued that it needed to keep troops in these key areas to maintain security in the absence of fully formed JIUs. (7/07)

229. According to a Joint Defence Board order of 14 January 2010, Major General Yahya has transferred the Command of JIU to his former deputy Major General Marial, while himself taking the position of the deputy. Transfer of Command took place in Juba on 27 January. (01/10)

#### 4.7. JOINT INTEGRATED UNITS (JIUS)

230. The **Joint Integrated Units** (JIUs) are to be formed during the Pre-interim and the Interim Period from SAF and SPLA troops. The role of the JIUs is to act as a symbol of national unity and, in the event of unity after the 2011 referendum, to form the core of a new National Army. There were initially inordinate delays in formation of JIUs, linked to the delay in forming the Joint Defence Board (JDB). The National Assembly endorsed the **Joint Integrated Units (JIUs) Act** on 17 January 2006 ([Annex 19](#)).

##### *A) Assembly of JIUs*

231. In 2006, the Parties made considerable progress in the nomination of forces to serve in the JIUs. However overall the deployment of JIUs, which was to have been completed by 9 October 2006, is significantly behind schedule. The Parties, especially the SPLA, have blamed logistical challenges. While some JIUs are co-located, in other areas nominated personnel are gathered at assembly areas some way from the final deployment location.
232. New Standard Operational Procedures (SOP) on JIU re-verification was promulgated on 8 July 2008. 81<sup>st</sup> JMC on 18 August 2008 decided to freeze JIU re-verification till 18 September 2008 to allow understanding of the new SOP.
233. The 85<sup>th</sup> CJMC on 25 November 2008 decided further to freeze the JIU figure till 20 January 2009 to allow sufficient time for completion of JIU re-verification. During the freezing of JIU figure, the verified strength was 33,583 (84.7%) of CPA authorized strength 39,639.
234. The properly-conducted re-verification of JIUs could not be completed until the end of May 2009 due to the postponement in verification of weapons and the lack of nominal rolls of JIU soldiers. As stated at the 96<sup>th</sup> CJMC (19 May 2009), the verified deployment figure stands at 32,723 (82.55%). Consolidated JIU figures are not expected until June 2009. (05/09)

## 4 - Security Arrangements

### 4.8 - Other Armed Groups (OAGs)

235. There was no change to the status of JIU deployment in August 2009, which still stands at 82.6%. JIU commanders attended the 103rd CJMC meeting to discuss JIU issues and security aspects. The 103rd CJMC decided that JIU command to conduct an internal review of the forces figures until 15 October 2009. Therefore, monitoring of the JIU is frozen up to 15 October 2009. UNMIS will conduct M&V of all JIUs from 16 Oct – 15 Nov 2009. This will be considered the last and final verification of JIU strength. CJMC and JIU command will have a follow-up meeting in December 2009 in Juba. CJMC and JIU command decided that the Parties should look for funds for deployment of JIUs & National Monitors to Diffra and Agok (Sector VI – Abyei) which has been a pending issue for some time. (08/09)

236. During January 2010, first part of Project 1 equipments (generators, 20' containers, water tanks and jerry cans, fencing material and concrete mixers) have been distributed to all JIU Division's HQs. Other UNMIS activities related to Project 1 (purchasing of JIU items from local market) are ongoing. Due to extra expenditure involved, the relocation to the new JIU camp out of Malakal, however, has been canceled. It has been decided that three boreholes planned to be drilled on new locations will be drilled in current locations: one in JIU Div HQ, second in SAF camp, while the third in SPLA camp—all in a parameter of 3 km. Meanwhile, first part of the UK-JIU-UNMIS trilateral project of water wells for JIU 1<sup>st</sup> Division unit in Torit, Sector I, has also been completed. In addition, first part of equipments arising from the UK-JIU-UNMIS trilateral welfare project (procurement of TVs and DVDs for 1<sup>st</sup> JIU Division) reached Juba to be handed over to JIU.

237. The status of the JIU deployment has not changed since April 2009. It is still at 82.6% of their mandated strength of 39,639 troops. The 111<sup>th</sup> CJMC directed Sector II and III to finalize outstanding re-M&V of JIUs no later than 4 February 2010. While the Sector I, IV, V and VI have already completed the re-M&V of JIU within their respective AOR, the CJMC decided to await the results the final M&V of JIU Independent Brigade in Khartoum to be undertaken by the JIU Commander. (Please also see # 219 under Recent CJMC Meetings) (01/10)

### 4.8. OTHER ARMED GROUPS (OAGS)

238. The CPA requires that no Other Armed Groups aligned to either party should be allowed to operate outside the formal structure of the two forces during the Interim Period. Other Armed Groups are required either to be integrated into the organized forces of one of the Parties (army, police, prisons or wildlife service), or disarmed, demobilized and reintegrated into civilian life.

239. The **Other Armed Groups Collaborative Committee (OAGCC)** designed to oversee this process was formally established in March 2005. The SPLA finally nominated its members to the OAGCC on 24 July 2006.

240. On 8 January 2006, the SPLA signed the **Juba Declaration on Unity and Integration of SPLA**

and **SSDF** with Paulino Matip, the leader of the Southern Sudan Defence Force (SSDF) umbrella organization comprising the majority of formerly SAF-aligned OAGs. A diagram illustrating OAG-SSDF alignment after the Juba Declaration can be found in [Annex 20](#). (2/06)

241. In preparation for the 9 July 2007 deadline for redeployment, SAF declared in May 2007 that there were no more SAF-aligned OAGs in South Sudan. (5/07).

### 4.9 UNMIS DEPLOYMENT

242. As at 31 January 2010, Military strength in the Mission are as follows: Total 9689 (out of 9990); UNMOs 501(out of 525); Staff Officers 194 (out of 203); and TCC 8994 (out of 9262). (01/10).

244. UN Police have supported both GNU Police and the Southern Sudan Police Service (SSPS) with capacity building and standards. In Khartoum, UN Police have conducted training courses in a number of areas including traffic management, cyber crime, riot control, airport security and SWAT and VIP Protection. In Southern Sudan, UN Police have provided support for the registration of SSPS personnel, development of the legal framework for the work of the SSPS, monitoring and follow up on reports of human rights violations. UN Police are involved in community policing work in the Three Areas and in IDP camps around Khartoum.

245. In January 2010, UNPOL concluded 82 Election Security Training Courses and trained 5072 local police officers, including 216 female officers, in different training venues in Juba, Wau, Malakal and Abyei. UNPOL also conducted joint trainings with GoS Police in Northern States and trained 1,399 officers, including 49 female officers.

246. UNPOL also concluded 64 regular training courses for 5, 217 Sudanese Police Officers, including 230 females. **In the South**, 822 SSPS Officers (including 133 female officers) were trained in 19 courses, including Basic Police Training, Community Policing, Gender and Child Protection, Senior Manager Course, Crime Investigation, Conflict and Post-Traumatic Management and Traffic Management. **In the North**, 4395 GoS Police Officers (including 97 female officers) were trained in 45 Courses including Airport Security, Executive Management, Community Policing, Computer Training, Crime Investigation, First Aid, First Line Supervisors Course, Basic Police Training, Rule of Law and Human Rights, SWAT, Traffic Management, VIP and Close Protection, Training of Trainers (ToT), Policing Principles Basic Course, Computer Package, Basic Police Defence Techniques & Tactics, Logistics Management, Crowd control and Election Security.

### 4.11 DISARMAMENT, DEMOBILIZATION AND REINTEGRATION (DDR)

248. On 18 February 2006, President Al-Bashir issued a presidential decree to form the **National DDR Coordination Council** (NDDRCC), chaired by Minister of Presidency Maj. Gen. Bakri Hassan Salih. (Text of decree can be found in [Annex 21](#).) It comprises Federal and State Ministers, Chief of Staff of the Armed Forces, Chief of Staff of the SPLA, General Commissioner for DDR for the Northern States, General Commissioner for DDR for the Southern States and other members to be appointed by the Presidency. The NDDRCC met for the first time on 20 December 2006. (12/06)

249. On 15 February 2006, President Al-Bashir issued a presidential decree establishing the **Northern Sudan DDR Commission** (NSDDRC) with its budget. (Text of decree can be found in [Annex 22](#)).

#### 4 - Security Arrangements

##### 4.11 - Disarmament, Demobilization and Reintegration (DDR)

The Commissioner-General of NSDDRC was formally appointed in December 2006. (1/07)

250. On 3 May 2006, GoSS President Kiir issued a presidential decree appointing the Chairperson and Deputy Chairperson for the **Southern Sudan DDR Commission** (SSDDRC). The Interim DDR Programme (IDDRP) was endorsed by GoSS in January 2006 and the GNU in May 2006.
251. Throughout May 2007, SAF conducted **unilateral disarmament** of its aligned former OAG members in Upper Nile, Western Bahr El Ghazal and across Eastern Equatoria. UNMOs observed the procedure and reported that a total of 975 former combatants were disarmed and given a one-off payment, according to rank, by SAF officials. The unilateral disarmament process did not involve the Northern and Southern Sudan DDR institutions. (5/07)
252. In line with the Presidential Decree on administrative arrangements for DDR in Three Areas (July 2008), North and South DDR Commissions agreed on the structure of offices for all the three areas. As a first step, a Joint DDR Office was established at Ed Damazin for the State of Blue Nile, which was inaugurated on 22 October. This joint office will take lead on the operationalisation of the pilot DDR activities in the State of Blue Nile. (10/08)
253. The Government of Japan made a grant of US\$17 million towards the implementation of the DDR programme in Sudan. The grant, earmarked for reintegration operations in the Three Areas, comes as the first amount to be given for provision of reintegration opportunity programmes during the Multi-Year DDR Programme in Sudan. The total cost of reintegration for the caseload of 182,000 ex-combatants from SAF and SPLA has been estimated at US\$ 430 million. (01/09) In February 2009, the United Kingdom, the European Union, Sweden, the Netherlands, Norway and Germany pledged US\$88.3 million at a donor roundtable in Juba. . At the forum, GONU and GOSS undertook to contribute \$250 directly for each DDR participant and, with the assistance of the UN, to beef up resources at the disposal of the North and South Sudan DDR Commissions. (02/09)
254. Momentum is steadily building in the demobilisation exercise underway in Blue Nile State. As at February 24, a total of 263 candidates, including 37 women, had effectively gone through the process, receiving a reinsertion package that includes cash, non-food items and a food ration to last three months. About 5,000 combatants from both the SAF and SPLA are on roll for demobilisation in Blue Nile State alone, over a period of one year. A similar operation is scheduled to start in Julud and Kadugli (South Kordofan State), in March, 2009. (02/09)
255. As of 29 August, a total of 12428 combatants drawn from the SAF, PDF and SPLA have been demobilized since the start of operations in February 2009. (08/09)

256. As part of efforts to strengthen the integrity of the DDR process, an Ad-Hoc Working Group established by the National DDR Coordination Council (NDDRCC) to review registration and weapons verification procedures held two meetings in Khartoum in the first week of January 2010. The group, consisting of GOSS, GONU, UN and donor representatives, agreed to a list of activities that will be accomplished by the first week of Feb 2010. The NDDRCC also established a High Level Committee, which held its inaugural meeting on 11 January, to receive the report from the ad-hoc working group and endorse the working group's plans.
257. In January 2010, 961 ex-combatants and members of the Special Needs Groups were demobilized in CPA areas, bringing to 19,692 the total number demobilized so far across the zone, in five demobilization centers across. Operations were temporarily put on hold in Rumbek, South Sudan, due to a shortage of WFP food rations. Similarly, the start of operations in Aweil was stayed to allow for a comprehensive revision of the candidate list.
258. Reintegration briefings and individual counseling continued in Southern Kordofan, Blue Nile and Southern Sudan. A total of 1057 DDR participants received counseling in Southern Kordofan, Eastern Equatoria, Western Equatoria and Blue Nile states. DDR Public Information was stepped up in Blue Nile and Northern Bahr El Ghazal to raise awareness among potential participants and the local communities in these states.

### 4.12 - De-mining

259. In the sphere of children associated with armed forces or groups (CAAFG), 10 were discharged from SPLA 8<sup>th</sup> Division HQ in Panpandiar, South Sudan, during the month of January. UNMIS (UN DDR and Child Protection) provided logistical support to the process, while UNICEF provided non-food items to the demobilized children, including clothing, soap, sandals and bedding.
260. Construction work on the DDR State Office in Wau was completed in January. Conversely, work on state office in Bentiu stopped for want of construction material.(01/10)

### 4.12 DE-MINING

261. Based on the provisions of the Ottawa Convention on the Prohibition of the Use, Stockpiling, Production and Transfer of Anti-Personnel Mines and on their Destruction, the Parties have declared and reported the types and numbers of stockpiled anti-personnel (AP) mines in the Article 7 Transparency Report of the Convention of 30 April 2005, listing a total of 9,485 AP mines under the control of the SAF and 5,000 AP mines under the control of the SPLA. Details of the technical characteristics and photos of the stockpiled AP mines were also provided. Of the 9,485 AP mines listed for the SAF, 4,488 were destroyed on 30 April 2007.
262. On 31 March 2008 in Juba, the destruction of the second and final batch of 6078 stockpiled anti-personnel (AP) mines took place. This event completes the destruction of the known and declared stockpiles of AP mines in Sudan. The GOSS and SPLA have decided not to retain any AP mines for training purposes and accordingly destroyed all known stockpiles of mines. The UN Mine Action Office assigned the Bangladeshi Military Demining Company to assist the SPLA engineers in the stacking and preparing of the mines for demolition, to prepare the site and provide medical back up and communications. (03/08)
263. In December 2008, the Swedish Rescue Services Agency (SRSA) completed their Explosive Ordnance Disposal tasks in Abyei. The Cambodian Military De-mining Company on the other has been disposing of a 50 tonne stockpile found in the Joint Integrated Units compound in Malakal. (12/08)
264. In Equatoria, the Juba-Lobanok road was opened and dangerous areas around Lobanok were cleared in support of returnees settling in the Lobanok area. In Southern Kordofan, the verification and clearance of the Kauda-Talodi road was completed. In Blue Nile States, the verification and clearance of the road from El Roseries-El Gery-Takamol-Mughla-Menze in Geissan locality was completed. These activities facilitate the safe movement of UN convoys and other humanitarian traffic, thus promoting socioeconomic development of villages attached to the routes. (02/09)
265. Following recent fighting in Malakal town, UN Mine Action Office (UNMAO) tasked the Cambodian Military Demining Company (CMDC) to conduct the survey and clearance of the Malakal airport, where they found and destroyed a total of 13 unexploded ordnance (UXO) and 20 kg of small arms ammunitions. The team also conducted a survey of Malakal town, locating and destroying a total of 28 UXO and 9 Anti-Personnel. Emergency mine20risk education was also provided in Malakal in order to prevent any accidents or injuries from explosive remnants of war. The Southern Sudan Demining Commission was instrumental in providing support to the operations conducted by the CMDC and UNMAO. (03/09)
266. In support of the CPA and in view of the priorities identified in the Multi Year Work Plan, over 750,000 square meters of land were released through survey and clearance in Northern Region during the month of January 2010. This land allows for resettlement of the displaced population and potential growth in the area. (01/10)

#### *National Mine Action Authority*

267. A presidential decree was issued on 24 December 2005 establishing the **National Mine Action Authority (NMAA)**. Although the CPA stipulates the establishment of two mine action authorities (North and South), the decree ordered the establishment of a single national authority, with a

General Secretariat and National Mine Action Centre based in Khartoum. Under the National Mine Action Centre, there would be a Regional Mine Action Centre in Southern Sudan, based in Juba. The NMAA was launched in Khartoum on 7 March 2006. (4/06)
